COMPUTER - ALL USERS

Logging into Vidigami on your computer will bring you to your home page, made up of five sections:

School Name:
Click here at any time to bring you back to your Home Page.

Your Personal Area:
Clicking on your name or your child's name will take you to your personal areas for tagged photos, saved media, and Collections.

Recent Pages:
A list of quick links to your most recently visited Pages.
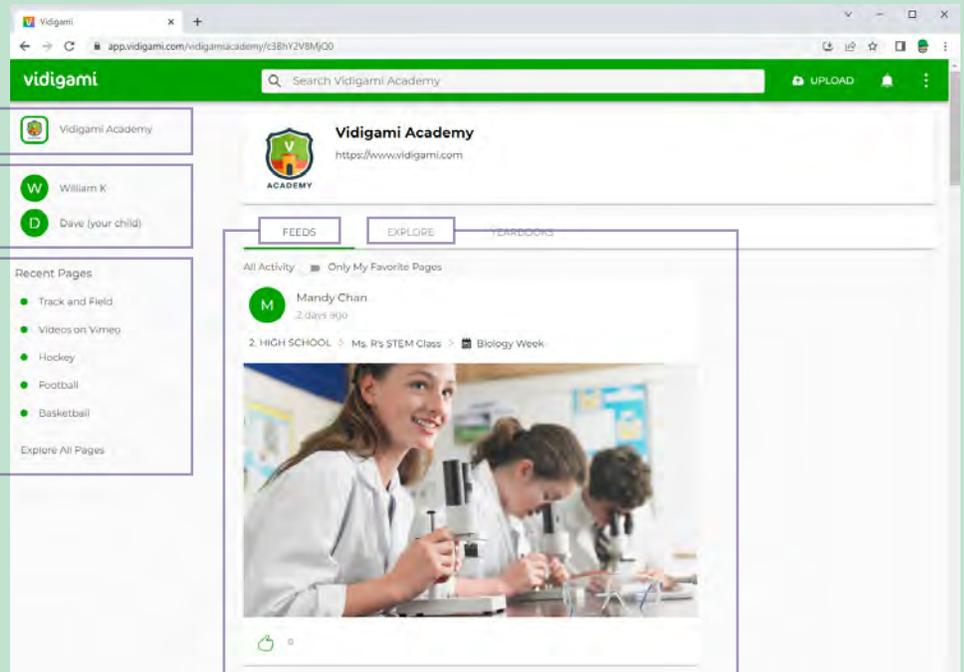

Feeds:
Your stream of all media uploaded to Pages and Albums with the newest at the top. Click on a Page or Album name to view.

Explore:
Clicking on Explore brings you to the media management area of Vidigami. Here you can see all of the Pages that you have access to.

How to Mark "Favorite" Pages:

You can mark any Page as a "Favorite" if you don't want to miss when new media is uploaded.

Navigate to a Page and click on the star ★ icon.

Repeat for all Pages that you want to favorite.
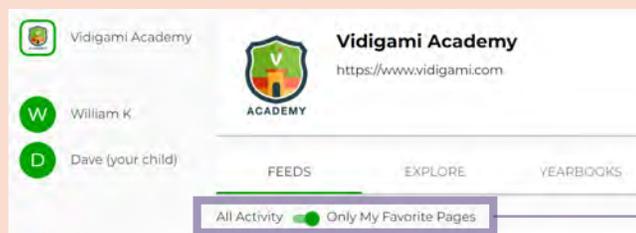

Now you can toggle between "All Media" and "Favorited Media" on both your Home Page and Explore Areas.
